## Myths about Joining the PTO

*"Only stay at home moms with nothing to do join the PTO"*

FALSE! The PTO is made up of a variety of volunteers- some stay at home, some work full time or part time, some commute long distances. most juggle soccer and paying bills and carpool and laundry!

*"Joining the PTO means I HAVE to volunteer"*

NOPE! Feel free to pass on the sign ups! One of the benefits of being a member is being on our email list and having voting power at our meetings. Your membership dues are a huge fundraiser for the PTO.

*"I don't have time to join"*

WRONG AGAIN! There is no time commitment! Do as little or as much as your schedule permits. We have work-from-home jobs perfect for late evenings or weekends. We can find something that works into your schedule!

*"I have ideas but the PTO won't listen"*

FALSE!!! New ideas are ALWAYS welcomed! We RELY on fresh ideas to keep us exciting and look forward to hearing from you! Especially during this time of drastic changes, we WELCOME new ways to engage the students!
