My name is Mrs. Lazzaro and I am the school nurse at Dwight D. Eisenhower Elementary School. I have been a registered nurse since 2012 and prior to working at Eisenhower Elementary School I was working in the private sector in a hospital, where I continue to work in a per diem fashion. I have begun pursuing my Master's Degree and plan to continue to do so.

I have an open door policy with my students and parents/guardians. I welcome calls from parents with any questions or concerns. I maintain a safe, clean, healthy and happy environment for the students. Students know they can come and confide in me at all times.

NJ Certified School Nurse (CSN)

Bachelor of Science in Nursing (BSN), Summa Cum Laude

Associate in Applied Science in Nursing (AAS-Nursing)

Certified Medical Surgical Registered Nurse (CMSRN)

Telemetry Certified Nurse

ACLS Certified

BLS Certified
