

New Student Registration

When registering/enrolling your child in school for the first time or when transferring from one school to another, there are several requirements that must be met for the Health Office in order for your child to attend school. These requirements are as follows:

1. Physician's certificate indicating that the child has received the following immunizations as required by the state of New Jersey Department of Health:
 - a. Diphtheria, Pertussis and Tetanus (DTaP) – a minimum of four (4) doses, one dose having been given on or after the fourth birthday or a total of five doses;
 - b. Polio – a minimum of three (3) doses of Polio vaccine, one dose having been given on or after the fourth birthday or a total of four doses;
 - c. Measles – two (2) doses given at least one month apart, both doses being given after the first birthday or laboratory evidence of immunity in place of the 2nd dose.
 - d. Rubella – one (1) dose on or after the first birthday
 - e. Mumps – one (1) dose on or after the first birthday
 - f. Hepatitis B – three (3) doses of the Hep B vaccine or laboratory evidence of immunity
 - g. Chickenpox – one (1) dose on or after the first birthday or proof of disease immunity
2. Certificate indicating that your child has had a complete physical examination by his personal physician including a vision and hearing screening, within a year of September entrance (e.g. the twelve months preceding start of school).

3. Physician's certificate indicating that the child has received a Mantoux test or Quantiferon Gold Blood test for Tuberculosis prior to the start of the school year if the county of birth is listed on the attached page [link here].

The above requirements are pursuant to N.J.S.A. 18A:40-4 and N.J.A.C. 6A:16-2.2.
